The Occult Sheet

About the Occult

One of Satan's favorite weapons against us is occult involvement. Occult involvement means that we seek to gain knowledge or power from a spiritual source other than God. The special danger of occult involvement is that it appeals to our spiritual hunger, which is our innate desire to find the Lord, and diverts us from Him into the occult underworld, which can open up people to the demonic.

God's Word on the Occult

The Old Testament strictly forbids occult participation in a number of passages. Deuteronomy 18:10-12 reads: "Let no one be found among you who...practices divination or sorcery, interprets omens, engages in witchcraft, or casts spells, or who is a medium or spiritist (some translations say "wizard") or who consults the dead. Anyone who does these things is detestable to the Lord..."

Webster's definitions read:

Divination – an act of foretelling the future, assuming the help of unseen powers.

Enchant – to use magic words or charms to place (another) under a spell.

Witch – one thought to have supernatural powers through a contract with Satan.

Medium – one supposedly having access to supernatural agencies and knowledge or power derived from them.

Wizard – a sorcerer, one possessed of magic influence.

Necromancer – one who claims to reveal the future by communication with the dead.

We read in Isaiah 47:11-15, "Disaster will come upon you, and you will not know how to conjure it away. A calamity will fall upon you that you cannot ward off with a ransom; a catastrophe you cannot foresee will suddenly come upon you. Keep on, then, with your magic spells and with your many sorceries, which you have labored at since childhood. Perhaps you will succeed, perhaps you will cause terror. All the counsel you have received has only worn you out! Let your astrologers come forward, those stargazers who make predictions month by month, let them save you from what is coming upon you. Surely they are like stubble; the fire will burn them up. They cannot even save themselves from the power of the flame. Here are no coals to warm anyone; here is no fire to sit by. That is all they can do for you – these you have labored with and trafficked with since childhood. Each of them goes on in his error; there is not one that can save you."

By the time of the New Testament, the Hebrews had pretty well banished occult things from their home country, so Jesus did not have to deal with it specifically (except when Satan tempted Him to turn stones into bread). However, as soon as Christians began to move into heathen lands, they began to be exposed to occult practices. Acts 19:18-20 states: "Many of those who believed now came and openly confessed their evil deeds. A number who had practiced sorcery brought their scrolls together and burned them publicly..." In Acts 8:20, when Simon the Magician tried to buy the Holy Spirit to add to his bag of tricks, Peter answered, "May your money perish with you..."

In II Thessalonians 2:9-11, St. Paul warns about the last days: "The coming of the lawless one will be in accordance with the work of Satan displayed in all kinds of counterfeit miracles, signs and wonders, and in every sort of evil that deceives those who are perishing. They perish because they refused to love the truth and so be saved."

Occult Involvement

We need to remember that *all occult involvement brings spiritual confusion*. This confusion begins when we seek other spiritual forces besides God, and when we use or consult them. When we open ourselves up to occult involvement, we violate the first commandment, "You shall have no other God but Me" (Exodus 20:3) and Jesus' commandment, "You shall love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength" (Deuteronomy 6:4-9, Matthew 22:37, Mark 12:30, Luke 10:27).

Remember, too, that *the wrong things we do in innocence and ignorance hurt as well as those things we do deliberately*. Satan has set occult traps throughout our world into which he hopes we will fall. God's forgiveness works not only for our sins but also for our errors due to ignorance as well. We must confess and receive forgiveness for our occult involvement, whether it was done on purpose or through ignorance.

As you read through the following list, ask the Holy Spirit to recall to your mind every involvement you have had. Keep in mind that many of these activities are clearly occult, but the occult nature of some of them may not be clear. Please mark any and all possible activities, even if there is a question in your mind as to their occult nature, so that you are confident that you have renounced all possible occult or demonic influences in your life. It is not our purpose to teach about each and every one of these activities and why they are considered occult; we are simply trying to give a solid framework for occult renouncement, and we have based our information on the teachings of those who are considered experts in this area.

Circle each one in which you have participated; then ask God's forgiveness. Have you ever – out of curiosity or in earnest – done any of the following?

I. **Divination**: seeking *knowledge* from forbidden sources: (Deuteronomy 18:9-16; Daniel 2:26-28, Isaiah 2:6, 47:10-15; Micah 5:12; Acts 16:16).

23. Have you ever attended a *Black Mass*?

24. Have you ever made a promise or a *pact with Satan*?

25. Have you ever made a *blood compact* with Satan?

26. Are you a victim of *Satanic Ritual Abuse*?

VII. **Relationships:**

30. Have you been in an *intimate relationship* with someone involved in witchcraft, etc. (e.g. the wife of a warlock)?

31. Have any of your ancestors been involved in *witchcraft*, pagan religions, fortune-telling?

32. Has anyone in your ancestry been a member of the *Masons*?

IX. **Activities** that may lead to demonic oppression:

33. Have you ever been involved in protracted or intense *sinful* or addictive activities that have led to your being oppressed by a "spirit of sin" (e.g. pornography)?

34. Have you ever been on a *drug trip* that could have opened you up to an evil presence when your spirit was "out there" and unprotected?

35. Have you listened extensively to *music* that carried with it an evil or satanic influence (e.g. some hard rock groups have dedicated their music to Satan)?

36. Likewise, have you subjected yourself to reading *literature* or watching *movies* that are evil in nature?

37. Have you played games of an occult nature, using ESP, casting spells, trying telepathy, etc.?

38. Do you have a propensity towards superstition or a fascination with evil?

The difficulty with a subject like this, as you probably realize, is that some people tend to go to extremes; they either get frightened and overextend the power of evil, or cast it aside as "seeing a devil behind every tree." Clearly, if a person once had a lucky rabbit's foot, they probably were not harmed much by it; but just as certainly if they were a member of a coven, they will probably need deliverance – and probably at some length. Not everything on this list is of equal importance, but we tried to make it complete.

Preparation of Family Tree

(Please do not write on the explanation pages. All writing should be done on the actual family tree page.)

A family tree is used to diagram family history so you can see at a glance where problems are in each generation. Begin at the bottom of the family tree; fill in your name and your spouse's name, and any problems you have (if divorced, insert your previous spouse's name, too). Do the same with your children, your parents and your brothers and sisters. Continue in this way up the family tree, as far as you can remember, indicating any patterns or problem areas in your family line. Some problems come down vertically, as from grandfather to father, some horizontally, from aunt to aunt, or cousin to cousin. Some of the problems are obvious, others are known only to God. Don't worry about what you do not know. Jesus will reveal what you need to know, and what He reveals He will bring into healing.

Great traumas may be healed through generational healing prayer without your knowing their exact cause. However, if you find that your family's problems are not completely resolved after one Holy Communion or healing prayer session, continue to intercede for them. In some cases, it may be necessary for prayer for the Healing of Generations to be repeated several times for family bloodlines. The following instructions provide some ideas to help prepare your family tree.

To construct your family tree, go back at least four generations, even if you do not know all names. If possible, check with parents, grandparents and other relatives to get more details or clearer information. Simply write on the family tree every issue that you would like to bring to the Lord. If you were adopted you may have only a minimal amount of information regarding your biological family. In that case, include whatever information you have as to your biological family, as well as any pertaining to your adopted family. If you were adopted and are unaware of your biological family, simply include all the information pertaining to your adopted family.

Once you have finished constructing the family tree, look at the possible patterns or problem areas with the family bloodlines. Below are some of the common areas of generational bondage or sin that may help jog your memory and make a more complete picture of your family line.

Remember to ask the Holy Spirit to reveal His Truth. He may give you an area that is not listed below, but it is essential to put down all areas revealed to you in order to break the patterns of generational sin.

Unusual and Violent Deaths or Severe Trauma

Identify, by name, the people in your family who:

- Committed or attempted suicide
- Murdered or died in tragic ways such as accidents or wars
- Committed an abortion or participated in/sponsored an abortion
- Repeated miscarriages
- Died in a mental institution, nursing home or prison (especially those who felt lonely, unloved and/or abandoned).
- Those who were not given a Christian burial, including committal services or prayer, or were unmourned.
- Those who were unnaturally grieved.
- Untimely deaths
- Severe trauma, with evidence of effects passed on through the family (e.g., drowning, resulting in fear of water in other members, especially descendants)

Evidence of Occult or Demonic Activity

- Superstitions

- Involved in the occult (e.g., witchcraft, astrology, spiritualism or divination).
- Opening one's self to powers of the spiritual realm, such as pre-cognition or other psychic abilities

Sexual Sins:

- Adultery/fornication
- Prostitution
- Homosexuality/lesbianism
- Incest
- Pornography
- Lust
- Sexual promiscuity

- Sexual addictions

Be sure to list all sexual partners and/or any soul-ties you have with another. This is extremely important. Even if it was not sexual you may be tied spiritually, emotionally or mentally. If you are enjoined to another, you must be cut free from this relationship. Remember that Jesus does not separate us from a person when we have been tied to him or her in ways that are holy and within God's plan and will. He only sets us free from the unholy or destructive part of the relationship. This is an especially important step when you are married or planning to marry. Your marriage bed should only include you, your spouse and God.

Other Habitual Sins:

- Violence
- Abuse (physical, mental, emotional, or spiritual)
- Incest
- Racial prejudice
- Anger
- Religious prejudice
- Murder
- Pride
- Greed

- Abuse (emotional, mental, physical or spiritual)
- Hostility
- Control
- Manipulation

- Domination
- Revenge

- Bitterness
- Anger
- Depression
- Labeling of family members as outcast, black sheep, scapegoat or failure
